What MUC Does For You

We ensure that Manitoba waters remain open for your diving enjoyment

We represent the interests of Manitoba's SCUBA divers and underwater sports enthusiasts to all levels of government

We support the activities of our member clubs and individual members through technical and financial aid

We promote safe diving and related activities throughout the province of Manitoba

We encourage members to participate by organizing group activities and keeping them informed of upcoming events

We inform SCUBA divers of the new developments in safety, medical and emergency response issues through our newsletter and our website:
www.manunderwater.com

Community

The Manitoba Underwater Council is a volunteer association. We welcome membership from dive clubs as well as participation from all parts of the dive community.

We provide our qualifying member clubs with access to ice dive equipment, a dive master kit, a first aid kit (including O₂ Provider Kit) and insurance to run MUC sanctioned events.

Mission Statement

The Manitoba Underwater Council (M.U.C.) is an association dedicated to the principles of enabling every Manitoba and out of province visitor to participate safely in Manitoba's underwater environment for sport and recreation.
